

Community Commitment

When they are not in the courtroom, lawyers from the Willenken Firm can be found participating in various activities throughout their community. For example, Willenken lawyers have served on the Advisory Board of the Western Center on Law & Poverty, the Board of Directors for the Los Angeles Music & Art School, and the Board of Directors for the Mexican-American Bar Foundation.

Willenken lawyers have also found the time to further their "non-legal" pursuits including fundraising for the Food Allergy & Anaphylaxis Network (FAAN) and serving as president of their college's Los Angeles alumni chapter.
